COMMUNITY SING

FINE AUDIENCE ASSEMBLES AT HIGH SCHOOL TO REHEARSE FOR NEXT THURSDAY

In view of the counter attractions which included a big affair at Masonic Temple and a special program at the Palace Grand, the Chairman and Secretary of the Community Sing were more than gratified when an audience which numbered not less than 250 assembled at the High School Auditorium Thursday night for work under the leadership of Professor Kirchoffer. He was delighted with the showing and proceeded to put all the singers through their paces on the songs in which he has trained them that they may make a fine showing next Thursday night when Carrie Jacobs Bond, the song writer, will be present to inspect the chorus and sing for it some of her own songs. Whether her repertoire will include her new national anthem which has been accepted by the government, Mr. Kirchoffer was not in a position to announce. He did say, however, that she is having slips printed—600 of them, bearing the new words written for "A Perfect Day," which will be distributed for the use of singers next Thursday evening. He thinks it would be a fine joke to so pack the hall that night that there would not be enough to go around. He declares there is no doubt about her coming the evening of the 16th, that it is down on the list of her important engagements and she will not fail Glendale.

He also reports the receipt of letters from the national chairman of the community sing movement in this country reiterating the desire of the government that the United States shall be made a nation of singers of national and folk songs as one of the means of stimulating the national feeling. He was also asked what progress had been made in the movement in Southern California as it was expected a national convention of these choruses would be arranged and it was desirable to know what might be expected from this part of the world.

Mr. Kirchoffer was delighted to be able to report three splendid choruses in which he reckoned the Glendale organization as by no means least in importance.

A WINTER GARDEN

Mrs. Mottern, wife of the pastor of the Lutheran Church, reports that returns were excellent from her summer vegetable garden. From a small parkway she harvested fifteen pounds of delicious peanuts which she is now enjoying. She also had a fine crop of sweet potatoes. Her winter garden is now flourishing, particularly early peas, a tall-growing variety of "Telephone" which in splendid foliage is now in blossom and pod. There are other and larger plantings of peas coming along, and 250 cabbage plants which are beginning to head. And there are lettuce and onions too, but she sadly admits that when it comes to lettuce the Jap gardeners can turn the trick better than she does.

FAIRFAX ESTATE

ENGINEERING STUDENTS ARE DETAILED TO LOCATE OLD MANSION

Recent letters from Eugene Imler who is in the engineering corps at Camp Humphrey, Va., are bubbling over with enthusiasm for his work which he hopes will take him abroad to have a part in reconstruction work in the war-devastated countries. He said he and another former Throop student volunteered when the major asked for two men to resurvey a railway spur and when they reported back from that job were given the task of relocating the old Fairfax estate in Virginia. Lord Fairfax was the man who taught George Washington what he knew about surveying. The old Fairfax mansion was ruined during the Revolutionary War and completely demolished in 1812. One of the old settlers of that region who was employed in 1861 to haul away the bricks and debris from the ruined mansion is assisting the boys in their task. Both the house and the barns were of brick. The boys are working from an ancient map and are relocating the estate on a new map and staking out the grounds. In their work they found a portion of the cornice of the building. It is planned to rebuild the mansion from a description obtained in letters written by George Washington. Eugene says he is keeping a piece of brick and a nail as souvenirs of this very interesting bit of work in which he is engaged.

TUESDAY AFT. CLUB

ARTISTS ENGAGED FOR MEETINGS TO COME PROMISE BEST PROGRAMS OF YEAR

The Tuesday Afternoon Club enters into the second half of its club year with the best of its programs yet to be given.

While it was with keen regret that so many wonderful artists both local and foreign could not have been heard because of the ban on all public meetings, still the very best are yet to be enjoyed. It may seem to some they are required to pay for something they do not receive, we must consider that the club cannot exist without some expense even during the enforced vacation; also that with the programs still to be heard, there are artists such as one would ordinarily pay more than a whole year's dues to hear at a single performance. For example, on Jan. 28th, Russian Day, Dr. Alexander Kaun will speak on "Russian Realities." Dr. Kaun is a very able speaker and comes recommended by such large clubs as the Ebells and Friday Morning, which are in a position to pay these artists what they are worth. We get these same programs for, perhaps, one-fourth.

Then there is Marion Craig Wentworth, playwright and authoress, who will give on "Drama Day" the same program that she gave at the Ebells and which marked their greatest program of the year. Her address will be "Bonfires of Old Empires."

Zona Gale for "Authoress Day" is in such demand that it is almost impossible to get her as her engagements are booked months ahead.

Dr. Aurelia Reinhardt, President of Mills College, another brilliant and popular speaker, will deliver an address on "Literature and Democracy."

All these will be heard and many more equally noted, beside our own local artists of which we have some of the very best in the country and to whom it is always a pleasure to listen. The club has, indeed, a wonderful half-year to look forward to. It is hoped that as many as possible, both old and new members, will take advantage of this exceptional opportunity to hear these noted artists.

Thursday, January 14th, will be "Literary Section Day" in charge of Mrs. H. E. Bartlett. This will be a very interesting program as all the Allied Countries will be represented. After the program there will be a social hour in which the old members will meet the new ones to assure them that they are most welcome, that the club is theirs to enjoy and work with, that they are a part of the club and that in their co-operation lies the success of the club.

All members, both old and new, are urged to be present. Non-members may attend by paying 50c.

SERGEANT COWAN DISCHARGED

WASHINGTON, D. C., Jan. 11, 1919.—Gilbert A. Cowan, Sergeant, United States Army, Military Intelligence Division, General Staff, was on Thursday, the 9th inst., given his honorable discharge from the military service at Camp Meigs, D. C., after more than one year of active service. He immediately left for Glendale, California, going by way of Shreveport, La., to visit his brother, Robert H. Cowan, who is manager of the News-American in that city.

Sergeant Cowan has been engaged in counter espionage work in the District of Columbia and camps in that vicinity, during the larger share of his enlistment. Although passed for "overseas" service his immediate superiors three times refused to allow him to give up technical work he was engaged in, to go to France, and he was held in service for seven weeks after the signing of the armistice to finish important work.

Upon reaching Glendale he will take a position on the Evening News of which his father, A. T. Cowan, is the publisher.

WALKER HINES SUCCEEDS M'ADOO

THOROUGHLY COMPETENT MAN RECEIVES APPOINTMENT FROM PRESIDENT WILSON BY CABLE

(Special Service to Glendale Evening News)

Los Angeles, Jan. 11.—Director General of Railways McAdoo, who arrived here today from Washington en route to Santa Barbara, announced that President Wilson had cabled the appointment of Walker Hines as director general of railways to succeed McAdoo, the appointment being effective immediately. Walker Hines has been McAdoo's assistant.

Mr. McAdoo issued a statement saying that Hines has a thorough knowledge of railroad administration work and "the fundamental problems involved in the railroad situation." He said Hines is in "full sympathy with the policy which has guided the railroad administration and with the views of the President on the railroad question."

HUNGARY BACKS PRESIDENT WILSON

ITS PREMIER BELIEVES NO PEACE TREATY NOT PARTIALLY SOCIALISTIC WILL BE PERMANENT

(Special Service to Glendale Evening News)

Budapest, Jan. 10.—Count Karolyi, premier of Hungary, today told the United Press that he believed no peace not partially socialistic will be permanent. He declared that while he opposes socialism and Hungary has declared war on Bolshevism, the peace treaty must cover social and economic problems as well as political ones.

He declared that President Wilson realizes this situation and is now considering the addition to his program of a fifteenth point embracing social features.

Count Karolyi declared that Hungary solidly backs President Wilson, and added that it was Germany and Austria that forced Hungary into the war; that the Hungarian policy was made in Berlin and that the Hungarian government always opposed the war.

GOVERNMENT STRENGTHENED IN BERLIN

SERIOUS RIOTING HAS TAKEN PLACE IN DRESDEN, HAMBURG, STUTTGART AND OTHER GERMAN CITIES

(Special Service to Glendale Evening News)

HINES' APPOINTMENT NO SURPRISE

BELIEVED NEW DIRECTOR GENERAL OF RAILWAYS WILL REMAIN AT PRESENT SALARY OF \$25,000

(Special Service to Glendale Evening News)

Washington, Jan. 10.—The appointment of Walter Hines to succeed Director General McAdoo caused no surprise in official circles. Hines was chairman of the board of directors of the Santa Fe before joining the railroad administration. As assistant to McAdoo he received a salary of \$25,000 a year. The director general has the power to set his own salary, but it is believed that Hines will keep his at the present figures.

RAILROAD STRIKE IN ARGENTINA

PARALYSIS OF TRANSPORTATION ATTRIBUTED BY MILITARY DICTATOR TO GENERAL ANARCHISTIC MOVEMENT

(Special Service to Glendale Evening News)

Buenos Ayres, Argentina, Jan. 10.—The National Federation of Railway Workers today notified its branches that all Argentine railways will stop operation before night. This means a complete paralysis of transportation. A general strike is spreading in the interior. The police have reported that fifty persons were killed and scores injured in last night's fighting.

General Dellepiane, military dictator, in an interview with the United Press today, declared that the Argentine strike is part of an anarchistic movement which will spread to the United States and other parts of the world, unless suppressed immediately. He blamed the Russian anarchists and said the Socialists had withdrawn their support from the strike.

The general declared that at present his military force is not large enough to cope with the situation, but that he hopes for added support.

GOMPERS' BRITISH POLICY

HEAD OF A. F. OF L. SAID TO BE FORCING BRITISH UNIONS TO WITHDRAW FROM POLITICS

(Special Service to Glendale Evening News)

Manchester, England, Jan. 10.—The Manchester Guardian today declared that President Samuel Gompers of the American Federation of Labor is forcing the British labor unions to withdraw from politics.

O. E. S. INSTALLATION

CEREMONIAL OF GLEN EYRIE MARKED BY BEAUTY AND FORMALITY

Installation of the officers of Glen Eyrie Chapter, Order of the Eastern Star, is always one of the most brilliant social events of the year and the 1919 installation was no exception. The affair was semi-public and there was a goodly number of handsomely-gowned women and their escorts to witness the beautiful ceremonies peculiar to that order.

The lodge room under the transforming hands of the committee, Mrs. C. O. Pulliam, Mrs. Fred Deal, Mrs. Jennie Phillips and Mrs. Park never looked more beautiful. Although flowers were not used in great abundance, the masses and festoons of greenery formed a perfect setting for the brilliantly arrayed company assembled.

The installation ceremonies were marked by a pleasing formality. The Past Matrons and Patrons of Glen Eyrie entered the room, led by Miss Cora Hickman, first Matron, and if not the mother of Glen Eyrie, at least the elder sister. With Miss Hickman was Mr. Robert M. Grumblin, the retiring Worthy Patron. They were followed by Mrs. Adelaide Imler, Mrs. Margaret McPeak Campbell, Mrs. Pearl C. Tower, Miss Fredonia Borthick, Mrs. Fern Roberts, Mrs. A. M. Beamon and Messrs. George U. Moyse, A. L. Bryant, E. U. Emery, A. W. Tower, Daniel Campbell, Alexander Beamon, and Warren Q. Roberts. The Past Worthy Matrons and Patrons were followed by the Installing Marshal and the Installing Chaplain, Mrs. Lillian Rae Beamon and Mrs. Margaret McPeak Campbell who soon retired and escorted into the lodge room the Worthy Grand Patron, D. Wilson Pierce, and the Grand Marshal, Mrs. Elizabeth Wheeler, who is also a Past Grand Matron. Retiring again the Installing Marshal and Chaplain escorted to their stations, the Present and Past Grand Officers, Mrs. Standard, Mrs. Sibley and Mr. Pierce.

Then came the officers elect, led by Mrs. Mary G. Pollock, Worthy Matron, prettily gowned and carrying an arm bouquet of pink rose buds. The other officers-elect were: Chas. W. McFadden, Worthy Patron; Sallie C. Braden, Associate Matron; Josephine Woolsey, Secretary; Alice M. Carvel, Treasurer; Harriet Nichols, Conductress; Orma V. Naudain, Assoc. Conductress; Fannie Mabel Park, Chaplain; Annie Ethel Rattray, Marshal; Elizabeth Hill Brown, Organist; Mildred Irene Lyon, Adah; Mae Cornwell, Ruth; Theodessa Letts, Esther; Jennie Phillips, Martha; Mabel G. Richardson, Electa; Eva G. Vesper, Warder; C. Harry Woolsey, Sentinel.

The officers who conducted the installation ceremonies were Miss Della Echols, Worthy Matron; D. Wilson Pierce, Worthy Grand Patron; Mrs. Lillian Rae Beamon, Grand Marshal; Mrs. Margaret McPeak Campbell, Grand Chaplain; Mrs. Emma Legge, Organist. The installing officers carried bouquets of pink carnations. The new officers took their obligations according to the regular ritual of the order which is singularly beautiful. These ceremonies were interspersed with music, solos by Francis Booth and Miss Eva Thede and a cornet solo by Howard Vesper. Pretty features of the program were the presentations of a Past Matron's jewel to the retiring Worthy Matron, Miss Echols, and a Past Patron's fob to Robert M. Grumblin. This had been purchased to present to Mr. Grumblin the day he started for Berlin, November 11th, but as Uncle Sam forbade his departure that day it was held and presented more formally. Mr. Beamon made a very beautiful and touching speech when he presented to Mrs. Sallie Campbell Braden, Associate Matron-elect a basket of flowers from her two sons, Maurice and Harry Braden, who could not be present and took that way of expressing their love and congratulations.

Among the notables present was Mrs. Oliver, mother of Irving H. Oliver, who is a Past Grand Matron for State of New Jersey.

EXEMPTION BOARD FINALS

Chairman Lanterman, of the local Exemption Board, expects to wind up the affairs of that body the coming week unless he receives orders to continue. His duties of late have been chiefly to receive photographs of men inducted into service from this district together with their records which data has been carefully prepared and will be sent to Sacramento at an early date. About 200 pictures and military biographies have been received to date out of the five hundred men sent to camp by the Board.

ARMENIAN DRIVE

PALACE GRAND ENROLLS AS A SUPPORTER OF MOVEMENT AND WILL SCREEN APPEAL

Chairman Ezra Parker, of the Armenian-Syrian Drive, and sub-chairman Rev. Charles Scott, report that the mail responses to the appeal sent out by messengers on Thursday are coming in, not as rapidly as they wish, but in a very gratifying manner. Friday afternoon subscriptions accompanied by \$40 in cash were received, and some have arrived today.

The Palace Grand Theater has enrolled as a supporter of the drive and will run on its screen slides showing conditions in that devastated country and the great need of money for this relief work.

All the churches have responded to the Governor's request and literature and subscription blanks will be displayed at their services. It is also expected that at every meeting of the organizations which are supporting the movement, the plea for relief will be presented and subscription blanks distributed. A generous response through the mails is expected today which with Monday and Tuesday will be one of the last opportunities to enroll on the honor list of subscribers, as the regular drive is scheduled for Wednesday, January 15th.

In all organizations enlistment blanks for soliciting work will be circulated and the committee in charge of the drive expects to be able to announce districts and captains Monday.

GERMAN HELMET FOR MRS. HINES

Corp. Glenn Simmons, who has no parents, and who enlisted at Santa Monica two years ago this coming May, has sent a helmet which he captured on the French front and which has just been received by his godmother, Mrs. Kathryn Hines, who is spending the winter in Glendale at 223 1/2 Hawthorne street. She has also received from him copies of the "Stars and Stripes," "Going Over," and "Trench Camp," from Camp Kearny.

He is in the Signal Corps of the 40th Division which left Camp Kearny in July. During September he was on the Verdun front. He writes if they would only give him a tub or barrel—anything that would float, he would be tempted to set up a sail and steer for home. He says his company has been ordered to move in December, but whether the move will bring them home or carry them to Germany, he does not know.

LIEUT. HENRY BOGUE

Old Glendale friends of the late Dr. Charles Bogue family, whose home was at Belmont street and Wilson avenue, will regret to learn of the death of the eldest son, Lieut. Henry V. Bogue, which occurred Jan. 9th at Mare Island Naval Reserve Station, where he was a surgeon. He will be given a military funeral at that station. He leaves a widow and five-year-old son, his mother, Mrs. Nellie Bogue, who is with his brother Charles and family in the northern part of the state. The youngest brother, John, was among the first to be sent to France with the A. E. F. Lieut. Bogue was a graduate of the College of Physicians and Surgeons of Baltimore, Md. For several years he had been a well-known specialist in Los Angeles and one of the consulting staff of the County Hospital.

ILLINOIS FRIENDS ENTER-TAINED

Mr. and Mrs. J. B. McClellan, of 126 North Central avenue, were host and hostess Friday at a beautifully appointed luncheon at which old friends from Mercer county, Illinois, were entertained, covers being laid for fourteen. Pink roses in a cut-glass vase centered the table and gave the keynote of the color scheme of the pretty function. The guest list included: Mr. and Mrs. Walker Main and daughter, Elizabeth, and Mrs. William Garrett, of Aledo, Illinois; Mr. and Mrs. Keilman and two daughters, Lucile and Dorothy Bell, of Monmouth; Miss Mayme Pollock, also of Monmouth, Ill.; Mr. and Mrs. K. M. Whitman, now living at Hollywood, but formerly of Illinois, and Thomas McClellan, son of the host and hostess. Following the luncheon the party took an auto trip around Glendale and environs. These Illinois friends are all making their winter headquarters in Los Angeles.

H. S. Bourne, of Eagle Rock, recently purchased a light Six 1919 Studebaker from Packer & White Auto Company. W. L. Twining, of Northeast Glendale, is also the owner of a new 1919 Studebaker touring car from the Packer & White Auto Show rooms.

Lieut. Dwight Stephenson, son of Mr. and Mrs. Andrew Stephenson, is expected to reach Glendale tonight (Saturday) unless detained en route.

Miss Cora Hickman has lately been appointed as corresponding secretary of the State Congress of Mothers which office makes a considerable demand upon her time.

Rev. A. William Goetz, pastor of the Occult Science of Christ Church, will officiate at the services in Pasadena on Sunday morning and evening and Mrs. H. Watson-Hansen will lecture in Glendale.

Miss Marjory Imbler was the guest of Miss Emma Haggerty, of Los Angeles, at a matinee party at the Morisco, Thursday. Miss Imbler is taking an enforced vacation from her studies at the State University and latest advices from Berkeley indicate that the University will not open before January 26th.

Mr. and Mrs. Seeley B. Moe, of 206 West Maple street, succumbed to attacks of influenza and are confined to their beds under the care of a nurse, but both are better and doing nicely. One of the compensations of their illness has been the kindness of their many friends who have sent flowers and messages to cheer the invalids.

Mrs. Walter Stamps is in receipt of a letter from her sister in Berkeley relative to Mr. and Mrs. A. L. Weaver and advising her that Mrs. Weaver and her infant daughter and Mrs. M. L. Weaver, immediately following the death of "Lin" Weaver were taken to the Roosevelt Hospital in Berkeley where they now are, and that Chester Weaver is with his father at the Weaver apartment in Berkeley.

FORESIGHT

"The Provident" has been preparing for just such a condition as has arisen in the great epidemic which is sweeping the country—the worst in a century.

The result is that although the death-claims of the company in 1918 total more than twice the number in 1917, and the war, also, has taken its toll, the ample surplus is able to take care of every claim with its usual promptness; yet the same large dividend-scale of the company will remain unchanged in 1919. My numerous Glendale policyholders will be pleased to know this. If you are not among these, wouldn't you like to be? We invite you to share all the benefits which are ours.

Will A. Goss is said to be confined to his bed by illness, but not influenza.

Dr. and Mrs. Colin Cable were the guests of Mrs. Helen Bennett and her daughter, Gertrude, of Manhattan Place, Los Angeles, for dinner and an auto trip on Sunday, when four guests from St. Joseph, Missouri, the old home of Mrs. Cable, were entertained. Mrs. Christiaan Timmer, of Los Angeles, was the luncheon guest of Mrs. Cable on Thursday.

E. B. Hall, of Kansas City, who divides his time between the middle-west metropolis and Glendale, where his wife is forced to live on account of the delicate health of their son, is here for his regular winter visit at their home on Mariposa street. He is making an effort to dispose of his business and make his permanent residence here, where he owns business property at the corner of Brand and Park avenue.

The many friends of Carlton T. West, of 1138 San Rafael street, will be interested to know that he has received his discharge with the rating of Master Gunner from the training school he has been attending at a Virginia Army Camp, and will now return to the State University at Berkeley. He was graduated from the 1917 class of Glendale Union High School and is very well known here.

Mr. and Mrs. F. A. Alspach, of Mariposa street, are having the pleasure of entertaining their brother, Elmer Alspach of Mt. Pulaski, Illinois. It is his first trip to this coast. He arrived Monday evening and is enjoying the climate and the sights immensely; will probably be here for about three months. The Alspachs have also been entertaining their old friend, Mrs. McLaughlin, who came down from her ranch at Hinkley to spend a few days with them, and who will soon be their guest again.

Harold Arnett, Pharmacist Mate, left Glendale on the 7th for New York after a two weeks' furlough which he spent with his parents on North Jackson street. He may have to return to France where his vessel was formerly stationed at Pauillac, near Brest. Until he returned this time he had been away from the United States for eleven months and away from home nearly two years. In spite of the shortness of his stay, Mr. and Mrs. Arnett were delighted to have him with them. Of his four brothers who are in service, three are in France.

HIGH SCHOOL NEWS

Principal George U. Moyle has asked the Evening News to repeat the announcement that the reopening of Glendale Union High School has been postponed for one week, on account of unsettled conditions following holiday activities. Teachers are sending out re-assignments of work which will be continued by students on the same lines they have been following. Professor Moyle says the results they have been getting from home study are very satisfactory and that pupils are responding splendidly. Sufficient assignments will be given to prevent any break should the postponement continue.

Miss Wilson, instructor in English and Spanish, who has just undergone an operation on her tonsils, is doing nicely. She will be able to take care of her work and be on hand when the school reopens.

RED CROSS NOTES

The daily calls upon the Red Cross for pneumonia jackets was such that Friday Mrs. Ballard assembled a class of surgical dressings workers whose nimble fingers prepared a stock to meet emergencies.

Miss Coral Griffith and her committee were also busy at headquarters striving to complete the allotment of "housewives" which the chairman has been asked to ship as soon as possible.

No business was transacted at the meeting of the Board of Directors Thursday evening, but various matters were discussed informally.

Woodrow Wilson

THE WHITE HOUSE
29 November, 1918

"They shall not Perish"

PRESIDENT WILSON has asked all Americans to rally generously to the support of the Committee for Relief in the Near East, whose campaign comes January 12-19.

The need is urgent. Four million refugee women and children, the victims of Turkish lust and brutality, are starving and dying.

There is only one possible source of help—America. The other nations of the world can scarce bind up their own wounds. Upon what we do—you and I—depend the lives of these millions of helpless women and children. They must not perish—they *shall* not perish.

The Government has asked the Committee for Relief in the Near East to undertake the rescue work among these victims of Turkish oppression. During the past year the Committee has cared for over 900,000 refugees who otherwise would have perished.

There are now 4,000,000 dependent upon the Committee for relief. Of this number 400,000 are children, many of them little more than babies, whose parents have died of privation or been murdered by the Turk.

To carry on this work a minimum of \$30,000,000 is needed immediately.

Where Your Money Goes

Give! Every penny of every dollar you give goes to relieve the suffering of some starving refugee. None of it is used for administrative expenses either here or abroad. These, even to the cost of cabling the money—are met privately from funds especially solicited for the purpose. During the past year the Committee has spent in actual relief work \$50,000 more than it has received in contributions, the difference representing the interest on daily balances.

The money is cabled to the field through the American State Department, and is administered there by United States Consuls, American educators, doctors, and other responsible agents already on the ground and thoroughly familiar with the needs.

No direct money aid is given.

What Your Money Buys

The funds are used for the purchase of food, clothes, and other supplies absolutely essential if America is to save these stricken Eastern peoples.

\$30,000,000 will feed and clothe for six months three million refugees, all in desperate need, and all entirely dependent upon American aid for the bare necessities of life.

In addition, it will restore to their homes the nearly two million of these refugees now in exile in Egypt, the Caucasus, Persia and the remote districts of Turkish Empire.

It will buy seed, farm implements, cattle and sheep to enable them to become again an industrious, self-supporting people. If this program is carried through, the present sufferers will within a year need little or no further help from outside.

Every dollar subscribed
goes to the Relief Work

All expenses are privately
met

All funds are cabled
through the Department
of State

All funds are distributed
through U. S. Consuls or
American Agencies

Our Government is pre-
vented from giving aid

The Red Cross is not or-
ganized for Relief Work
in these sections

17 cents a day, \$5.00 a month, \$60.00 a year will keep one
of these unfortunates alive. Can you save less than one life?
